主席報告
Chairperson's Statement

今年是生命小戰士會成立十五週年的大日子，很榮幸以主席的身份與各位匯報本會過去一年的工作，分享我們豐碩的成果。

「愛童行」步行籌款活動

本會為慶祝成立十五週年，於本年一月舉辦了第三屆步行籌款「愛童行·與小戰士步出新生」。當日吸引了一眾貴賓前來支持，包括食物及衛生局局長高永文醫生、懲教署署長邱子昭先生等。是次活動非常成功，得到大眾的支持，令我們知道小戰士並不孤單，亦令我們更具信心為他們開拓各式各樣的服務。未來，我們擬把步行籌款轉為年度盛事，計劃最快將於明年底再次舉辦，以加深大眾對本會的認識，從而提高社會人士對兒童癌症、嚴重血病及骨髓移植的關注。

「傑出小戰士選舉」

為了鼓勵小戰士，讓他們看到曾經患上嚴重疾病的康復者都可以擁有燦爛人生，本會連續第二年舉辦「傑出小戰士選舉」，以病童及康復者的成功例證鼓勵小戰士勇敢面對人生。透過捐款者鄧婉穎女士的支持，我們把第一及第二屆傑出小戰士的勵志故事結集成書，於本年7月出版，希望社會大眾可以了解病童的心境及需要，更能借鏡書中各人逆境自強的精神，積極活出精彩人生。為使此理念得以承傳，本會將繼續舉辦「傑出小戰士選舉」，藉此鼓勵社會大眾以積極樂觀的心態面對逆境，「活出新生」。

公眾教育及推廣

本年度，為了積極推展公眾教育工作，我們多次接受報章、電台及電視台的訪問，另多名小戰士代表本會出席不同的分享會，「生命小戰士合唱團」亦參與了多場演出，分享自身的經歷以勉慰大眾。這些教育工作，使小戰士得以重拾自尊及建立自信，勇於將自己的才能展示公眾，令公眾更加關注病童的需要，得以「回饋社會」。

另外，承蒙多個團體支持，舉辦不同活動為本會籌款及提供服務資助，我們得到更多元化的資源，可以靈活地為小戰士提供貼心的服務。

This year marks the 15th anniversary of Little Life Warrior Society (LLWS). It is my honour and delight, as the Chairperson, to recount the work we carried out in this year, and share with you all the fruits of our labour.

The "Walk For Love" Fundraising Walkathon

To celebrate the 15th anniversary of LLWS's founding, we organised the 3rd fundraising Walkathon "Walk for Love: Cherishing Little Life Warriors Towards a Brighter Future". A number of esteemed guests supported and attended the event, including Dr. Ko Wing-man, Secretary for Food and Health, and Mr. Yau Chi-chiu, CSDSM, Commissioner of Correctional Services, and others. We consider this event to have been a tremendous success. This result shows us how our little warriors are not struggling on their own. It also gives us more confidence to organise more activities of various types. In the future, we plan to host the Walkathon as an annual event, with the next Walkathon taking place in December next year, or sooner. We hope that this will give LLWS more prominence, and in doing so, raise awareness towards child patients with cancer; bone marrow transplant or severe blood diseases.

The "Outstanding Little Life Warriors Award"

To encourage our little warriors, and show them how survivors of the most serious illnesses can go on to lead exceptional lives, LLWS organised the 2nd "Outstanding Little Life Warriors Award" using the achievements of fellow Little Life Warriors and survivors to raise the morale of their fellow warriors in their own battles. Through the generous donation and support from Ms. Mimi Tang, we have compiled the achievements showcased in the 1st and 2nd "Outstanding Little Life Warriors Award" into a book, which will be published in July this year. We hope not only that the public can gain a better understanding of the needs and circumstances of children suffering from severe illnesses, but also that people can be inspired and encouraged by our awardees' perseverance and grit in overcoming their challenges and living a colourful life. To continue this tradition, LLWS will continue to host the "Outstanding Little Life Warriors Award", to encourage people to be optimistic and "Live a Better Life".

Public Education and Promotion

This year, to actively raise awareness in society, LLWS gave interviews to numerous newspapers, radio and television stations. Moreover many little warriors also attended numerous sharing sessions on behalf of LLWS. The Little Life Warrior Choir was also involved in a number of performances and the choir members had many opportunities to share their experiences to encourage the public. Through this education work, the little warriors could rebuild their confidence, and be proud to show their talents to the public, raising awareness for cancer, in order to "Give Back to the Community".

Moreover, with the support of numerous organisations, we organised many events to raise funds for LLWS, and we obtained many diverse resources, to help continue our service to the little warriors.

我們積極與不同團體合作，舉辦了一連串精彩有趣及多元化的活動，務求讓小戰士及其家屬得到愉快難忘的體驗，透過活動互相認識交流，加強凝聚力，達到「同心互助」的願景。

We continue to work with different groups to organise diverse and numerous activities for our little warriors. By letting our little warriors enjoy various types of activities and obtain unforgettable memories, we hope that we can stimulate more interaction between people and strengthen unity, achieving the act of "Working Together to Win the Battle Against Cancer".

病人服務

病人服務乃本會的核心服務，透過同路人的關懷、支持和鼓勵，讓本會與新症病童及其家屬築起溝通的橋樑，令這些迷惘踟躕的家庭得到安慰，消弭不安，更有勇氣面對治療。因此，探訪組繼續專注於病房服務，維持每星期到病房探望新症和正在接受治療的病童及其家屬，也定期舉辦茶會。此外，我們亦安排曾經有相同病患的小戰士家庭與新症病童家庭交流，為他們減少憂慮，讓他們在陰霾裡看到希望和曙光。為提升病人服務的質素，本會為探訪組安排了一連串輔導教育工作坊，幫助組員掌握探訪病童及其家屬的技巧。我們更計劃招聘一名社工，為有需要的病童及其家人提供更適切的支援。

Patient Services

Service to patients will remain at the core of LLWS's services. Through mutual care, support and encouragement of little warriors, we continue to build bridges to connect with newly diagnosed patients and their families, lending them the strength, support and courage to continue in their fight against disease. Therefore, we continue to place priority in our Visiting Group, who visits those receiving medication in the ward every week, and also host tea parties for them regularly. Apart from this, we also organise exchanges in which survivors can connect and communicate with those who are still recovering, giving them hope and letting many of them see the light at the end of the tunnel. To raise the quality of service towards patients, LLWS also hosts a series of Counselling Education Workshops for volunteers to improve their skills and communication abilities. We also plan to hire a social worker, to help provide support for those in need.

國內工作

除了著重服務本港病童的工作，本會亦放眼中國，希望為國內的病童送上祝福和關懷。本會在本年度協助深圳市兒童醫院成立了深圳生命小戰士會，乘著兩地地利之便，我們將與深圳生命小戰士會保持緊密聯繫，務求能夠互相分享經驗，改善為病童提供的服務。此外，我們正與國內十一間生命小戰士會合辦「中港兒癌繪畫比賽」，題目為「我夢想的兒童醫院」。

Work in the Mainland

In addition to Hong Kong, LLWS also has operations in the Mainland. This year, LLWS collaborated with the Shenzhen Children's Hospital to found Shenzhen Little Life Warrior Society. Since we are geographically close to each other, we will keep close contact with Shenzhen LLWS to share our experience and improve the services provided for child patients. We are also collaborating with 11 Little Life Warrior Societies in the Mainland to organise the "Hong Kong-China Childhood Cancer Drawing Competition", with the title being "My Dream Children's Hospital".

總結

時光荏苒，十五年來，本會一直與小戰士牽手同行，盡心為他們服務，哪怕只是一絲微小的鼓舞，我們都竭力做到，讓小戰士重展笑顏。近年我們敢於創新，勇於改革，希望能為這個大家庭帶來朝氣和活力，例如製作了全新的網頁及手機應用程式(可參閱封底的二維碼)，方便小戰士及公眾即時掌握本會的最新資訊。十五年的路不易走，當中有歡笑、眼淚；有高山、低谷；也有精彩、平淡。全賴一份愛，把眾人凝聚在一起，讓大家彼此扶持，共同為這個家無私付出，本會才得以蓬勃發展，成為廣為人知的病人互助組織，並註冊為香港非牟利慈善機構。能有今天的成績，仰仗的是一群滿腔熱誠的康復者、家長、醫護人員、義工、董事及職員，當然還有一眾捐助機構及捐助者。因為您們的支持，本會能為小戰士提供更妥貼的服務，給予更貼心的關懷。在此，我謹代表本會由衷地向您們致謝，感謝您們一直與本會同行，更冀盼我們能繼續本著一顆熱切的心，為改善病童福利邁步向前，並以社會大眾的愛築成希望之橋，幫助患上癌症、嚴重血病及接受骨髓移植的病童步向光明，活出新生！

Conclusion

Over the last 15 years, LLWS has worked hand in hand with our little warriors, to help create a better experience for them and a place for them to call home. Even if we can only encourage our little warriors on, we still do our best to achieve that, and to put a smile on their faces again. For the last few years we have been exploring uncharted territory, reforming ourselves from within, in the hope that we can be even better at serving our little warriors. For example we created a whole new webpage and app for our Society (please refer to the QR code on the back cover), to allow our little warriors and the public to obtain the Society's latest information more conveniently. The last 15 years have not been easy; there was laughter, there were tears; there were peaks, and there were low points; there were exciting moments, and there were simple moments. But all along, it was only with love and passion that we could come together and lend each other a helping hand, sacrificing blood, toil and sweat for this "home" of ours. Only with the contributions of all involved, were we able to become what we are today – a group of little warriors that hold their heads up high amongst the crowds; a Society with a growing reputation, and a registered charitable non-profit-making organisation in Hong Kong. Achieving this result was only made possible with the help and support of our little warriors, parents, medical staff, volunteers, board members and staff, and of course our donors. Because of your support, we have been able to improve our services to our little warriors at their time of need. As such, I would like to extend my sincere gratitude to all of you for joining us in this long journey, and for helping us to continue with passion in our hearts. Only with the love of people all around, are we able to continue building a bridge to hope, allowing our Little Life Warriors see the light of life.

INDEPENDENT HONORARY AUDITOR'S REPORT TO THE MEMBERS OF
LITTLE LIFE WARRIOR SOCIETY LIMITED
(Incorporated in Hong Kong and limited by guarantee)

Opinion

We have audited the financial statements of Little Life Warrior Society Limited ("the company") set out on pages 6 to 14, which comprise the statement of financial position as at 31st March 2017, and the statement of comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the company as at 31st March 2017, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of directors for the financial statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

註: *摘錄自截至2017年3月31日之經審核的財政報告。*
Note: *Extracted from the Audited Report for the year ended 31st March 2017.*

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

楊玳詩女士
（英皇證券集團行政總裁）（捐款者）

兩年前，機緣巧合下，我在一個慈善活動認識了生命小戰士會的義工，讓我對該會的使命及核心價值有更多的了解。

我本身有一名13歲女兒，作為一位媽媽，女兒小時候亦曾患過大病，需要進行一系列的治療，看見女兒因為生病而失去精神和笑容，我真的很心痛和無助，但我除了陪伴在女兒身邊照顧她，所能做的實在不多。因此我更加感同身受，深深體會到患病兒童及其家庭所承受的壓力及面臨的苦況。

大約一年前，公司正商量來年的慈善活動事宜，我馬上想起生命小戰士會，決定藉此機會盡一份心意，支持他們的工作。去年11月19至27日，我們於淺水灣The Pulse灘畔商場舉行了一連九天的慈善義賣，共為生命小戰士會籌得HK$800,000善款。希望這筆善款為小戰士會帶來更加多資源，為癌症兒童、嚴重血病兒童或曾接受骨髓移植的病童舉辦更多精彩的活動及探訪，令徬徨無助的病童及家長重燃希望，勇敢地戰勝病魔。

Ms. Daisy Yeung
(Chief Executive Officer, Emperor Capital Group) (Donor)

Two years ago, I met a volunteer from the Little Life Warrior Society at a charity event and learned a lot about their mission and their core values.

As a mother of a 13 year old girl, I was in agony and left in a state of helplessness when my daughter was required to undertake a series of medical treatment for a serious illness that had deprived her of her strength and smile. There was little I could do except staying by her side and taking good care of her. It was then that I deeply understood how chronic childhood illnesses can affect families.

About a year ago, when our company was formulating the charity plan of the year, I immediately thought of LLWS and decided to show our support to the Society. A charity bazaar was thus held at The Pulse on 19-27 November 2016, and HK$800,000 was raised. We hope that with this donation, a greater number of wonderful activities and visits could be arranged by LLWS for child patients with cancer; bone marrow transplant or severe blood diseases. We hope our initiative can help child patients and their families fight the battle with hope and courage.

我在每年的生日,都習慣做點善事,捐助有需要的人。在2016年3月,我和生命小戰士會的緣份開始了!

還記得我第一次踏進生命小戰士會在威爾斯親王醫院的小房間(會址),就有很親切和溫暖的感覺,再細聽董事會成員對小戰士會的理念、服務及捐款的運用等等的講解,我更明白到那裡真是病童的另一個家,一個充滿著愛和無私奉獻的家,更確認了我選擇捐款到這個慈善團體是非常對的!

既然碰上了,又在我的能力範圍內,我一定義不容辭地繼續支持生命小戰士會,把我們的緣份延續下去!

Ms. Mimi Tang (Donor)

It is my habit that I will make a donation to charity to help those in need on my birthday every year. In March 2016, my rapport with Little Life Warrior Society began.

I still remember the warm and friendly feelings during my first visit to the small room (actually the office) of LLWS which is located at the Prince of Wales Hospital. After listening to the LLWS board members' introduction of the Society's mission, services and the use of donations, I realised that LLWS is really the second home of child patients, a home full of unconditional love and selfless dedication. LLWS is definitely the right choice for my donation.

The more I know about LLWS, the more I am impressed by its passion and services rendered. I will continue to support LLWS with my greatest effort and let the rapport established between us be never ending.

秦亦彤(義工)

去年我於生命小戰士會當義工的日子,讓我感受到這個團體充滿能量和友善的氣氛,對此深感欣賞。每位小戰士及他們的家人不是剛渡過難關,就是正面臨著巨大的挑戰。可是,當我和他們在一起時,總會感受到他們不屈不撓的精神,這種精神深深打動了我!

我很榮幸於去年參加了數項活動,體會到這團體的成員之間相互關心和團結的精神,這種精神在小戰士之間尤為突出。他們彼此分享人生的起跌,每當有小戰士遇到困難時,總會有很多戰友在身邊支持他。

我於生命小戰士會當義工的時光,一直滿載喜樂,亦得到不少啟發。我希望他們的精神繼續觸動更多人。

Chun Yict Tone Krissy (Volunteer)

I participated in volunteering for Little Life Warrior Society last year and greatly appreciated the work of the Society, which was fully positive and friendly. I was deeply touched by the strong determination of the little warriors and their families who were either facing or had encountered immense challenges.

I had the honour to attend several activities in the past year and experienced the sense of caring and unity, especially among the little warriors. They shared their ups and downs with each other, and were always there for each other when in need.

I am indeed grateful for the constant joy and inspiration received during my volunteer experience at the Society, and hope that their spirit will continue to affect more people.

黃樂雯(義工)

生命小戰士會是一個讓病童重拾笑容的地方。儘管治療和疾病的痛楚難以忍受,但我在中心遇見過的小孩總能開懷大笑,享受玩耍的時光。不知道這地方是否擁有一種魔法,讓進去的人都能暫時放下一切。

他們能夠如此享受快樂的時光,是因為有一群埋頭苦幹的職員。每一次到中心,我都會看到他們忙碌地工作,在處理行政工作時,同時要照顧在中心的病童,常常分身不暇。然而,他們臉上的笑容總是那麼燦爛,把病童看成自己的孩子一樣,想必她們對這工作一定充滿熱誠,病童們能遇見這些「天使」,是多麼的幸運。

Wong Lok Man (Volunteer)

Little Life Warrior Society is a place where the child patients could regain their smile. Although the children I met suffered unbearable pain during treatment of the disease, they always laughed and enjoyed playing. It was magical that everyone who visited there could be free from the worries for the moment.

Thanks to a group of hard working staff members who make an all-out effort, the child patients always enjoyed the joyful moments there. Whenever I came to the centre, I saw them fully-occupied with work. They had to deal with administrative work and take care of the child patients in the centre simultaneously. Yet, they always wore a big smile. I believe they are passionate about their work because they treated the child patients as their own. It was very fortunate for the child patients to meet these "angels".
